SPEAKER:

MS. KADY JACOBS

MC FOR THE EVENING:

MR. LEDARRIUS WHITE

Welcome from *Ms. Beverly White*

Greetings Family,

I am so glad that you chose to attend this evening's Mr. and Miss Trinity Tiger Ball. What we envisioned in our minds has now become a reality. In our Spirits we saw a program that would show you the light of Christ within us. Prayerfully you too will see that your light is needed and important. Showing your light helps others see Christ and want to mimic Him.

We thank you, family and friends, for coming to share this time with us. It is a known fact that you could have chosen to be anywhere, but you are here with us. As the students show their gifts and talents, know that they practiced diligently. It is a privilege for us to show you the light within us.

Our God surely wants all of us to be a light that sits on a hill. My prayer for each of us, young and old, is that we do not hide our lights under a bushel. Sit back and enjoy the itinerary this evening. Help us celebrate our visions and dreams. If you need anything, please let us know. We want your time with us to be pleasant.

Thank you for coming!

Ms. Beverly White,
Visionary of In His Image

Let your light so shine
before men, that they
may see your good
works and glorify your
Father in heaven.

About Trinity Christian Educational School

Trinity Christian Educational School of In His Image non-profit is a Christian School targeting all students including those with learning, attention and/or mild emotional concerns, school drop-outs, and/or persons needing to learn to read. Founded in 2004, Trinity Christian Education School is a member of the SC Christian School of Columbia SC.

The philosophy of TCES is a simple one, based on the elements of accomplishment. TCES recognizes that people have learning differences that may hinder their level of achievement in a traditional academic situation. With the right set of activities and individual attention, all students can achieve academic success in school. Success positively affects self-esteem. The students are taught to thrive spiritually, emotionally, and academically. The system is a multi-faceted approach to education, including a full complement of academic courses, plus a variety of extra-curricular activities and enrichment programs. Small class sizes enhance the academic experience. TCES graduates are educated spiritually, academically, emotionally, socially, and physically and motivated to go out in the world to duplicate the process and pursue their own purpose in life.

History of Mr. and Miss Trinity Tiger Ball

Mr. and Miss Trinity Tiger was inspired by the students enrolled in Trinity Christian Educational School in 2008-2009 who wanted In His Image to host a Prom for Trinity Christian Educational School. After prayer and consideration, the students were allowed to plan a formal dance that included the entire family.

In 2009-2010 our PHS President approached Ms. White with the idea of adding a King and Queen Contest to the Formal Dance. He proposed that the Contestants raise funds and dance at the Ball to support In His Image.

The Board and P.H.S. Parents supported the idea and thus planning was on its way for the First Annual Mr. and Miss Trinity Tiger Ball. The event was birthed to allow fellowship in a Christian environment, inspire families to support In His Image's services and Christian Education, build community awareness of In His Image, teach students public speaking skills, and raise funds to support Christian Education.

Ms. Beverly White is the daughter of Mr. and Mrs. Marion and Geraldine Lomax. She is a loving and caring mother to her children LeChelsea, LeDarrius, and LeAerialle White. Ms. White speaks with authority at In His Image Outreach and declares that everyone has the ability to manifest the image of Christ.

Ms. Beverly White began ministry at the age of 10 years old at Mt. Lebanon AME Church in Due West, SC. In August 1996 she was licensed as a minister at New Light Holiness Church in Conway SC. On April 21, 2013 she was installed as a Pastor of Promise Land Praise and Worship Center Anderson SC and ordained as an Apostle. God has used her to reach the hearts of many people during her life. She has a passion to speak the word of God with the power of the Holy Spirit.

Ms. White attended Coastal Carolina University where she received a Bachelor of Science Degree in Physical Education with an emphasis in Recreation. She resided in Conway S.C. for three years and began a career teaching Physical Education and Math in Horry County Schools and Managing Horry County's After School Programs. She also was a Recreational Specialist for Island Green Amenities.

Ms. White returned to the Upstate in 1997 when she was hired as a Recreational/Residential Counselor at Generations Group Home. She remained in her position at Generations Group Home until she was offered a position at Greenville County Commission on Alcohol and Drug as a Drug and Alcohol Counselor. Later she became the Director of Circle of Friends Therapeutic Child Treatment Division. There she enjoyed teaching Parenting Classes, researching the development of children born to mothers on alcohol and drugs, counseling families, NS facilitating groups, among many other responsibilities.

After several years of working with and seeing the needs of youth and their families, in September 1999, Ms. White felt led by God to develop the services Encouraging Words, Creative Sunsets, and Lay Aside Every Weight. These services fall under *IN HIS IMAGE*, an educational not for profit organization. Upon getting the call, Mrs. White enhanced her education receiving a Dual Master of Arts Degree in Human Resource Development and Human Resource Management from Webster University. In 2002 she accepted a position at Calvary Christian School in Belton SC where she was mentored by Mr. Keith Mitchell. In 2004 she birthed King's Kids, Kingdom Communications, and Trinity Christian Educational School which are more services provided by *IN HIS IMAGE*.

Ms. White enjoys educating individuals, families, and communities and passionately does so through the six services provided by In His Image. When working with families, she often reminds parents of two of her sayings: "Adults never stop playing instead they learn to play by God's rules" and "children and youth should stay out of opposite sex relationships until they can answer the question, who are you?" Mrs. Beverly White's greatest desire is to be like Christ so that she can help others to be like Him as well, thus she humbly accepts God's call to be the Visionary of *IN HIS IMAGE*.
