W elcome from Ms. Beverly

Greetings, Family and Friends! **Welcome to a night of enchantment beneath the waves!** Tonight, we dive into a shimmering world of sea stars, coral castles, and ocean dreams. Whether you're dressed as royalty from the reef or simply here to see how this event will be, we're thrilled to have you with us.

A heartfelt thank-you to each and every one of you — students, staff, parents, and special guests — for joining us and making this evening unforgettable. Your presence lights up the evening like glowing jellyfish in the deep blue sea. Every Student has worked to make the Mr. and Miss Trinity Tiger Ball an event that you will enjoy. Please cheer them on, so cheer them on as the music flows like ocean tides. Let laughter echo like dolphin calls, and may this evening be a memory that sparkles like sea foam under moonlight.

At TCES, we are more than just a school — we are a family, swimming through life's currents together. Like the sea creatures who rely on one another to thrive, let's continue to lift each other up and remind one that life on land is better when we serve each other, even when the waters get rough. Staying afloat in a world full of negativity can be tough, but when we encourage each other, we rise like the tide — stronger and brighter.

Thank you for diving into this unforgettable evening with us. We are so glad you joined us for the 2025 Mr. and Miss Trinity Tiger Ball — and we can't wait to see you again next year for another night of elegance, joy, and unity under the sea. Until then — stay anchored in faith and filled with joy! Now let the celebration begin — under the sea!

Sincerely,

Ms. Beverly White,
Visionary of In His Image Outreach

About Trinity Christian Educational School

Trinity Christian Educational School of In His Image non-profit is a Christian School targeting all students including those with learning, attention and/or mild emotional concerns, school dropouts, and/or persons needing to learn to read. Founded in 2004, Trinity Christian Education School is a member of the SC Christian School of Columbia SC.

The philosophy of TCES is a simple one, based on the elements of accomplishment. TCES recognizes that people have learning differences that may hinder their level of achievement in a traditional academic situation. With the right set of activities and individual attention, all students can achieve academic success in school. Success positively affects self-esteem. The students are taught to thrive spiritually, emotionally, and academically. The system is a multi-faceted approach to education, including a full complement of academic courses, plus a variety of extra-curricular activities and enrichment programs. Small class sizes enhance the academic experience. TCES graduates are educated spiritually, academically, emotionally, socially, and physically and motivated to go out in the world to duplicate the process and pursue their own purpose in life.

History of Mr. and Miss Trinity Tiger Ball

The Mr. and Miss Trinity Tiger Ball was inspired by the students enrolled in Trinity Christian Educational School in 2008-2009 who wanted In His Image to host a Prom for Trinity Christian Educational School. After prayer and consideration, the students were allowed to plan the first formal dance that included the entire family.

In 2009-2010 our PHS President approached Ms. White with the idea of adding a King and Queen Contest to the Formal Dance. He proposed that the Contestants raise funds and dance at the Ball to support In His Image.

The Board and P.H.S. Parents supported the idea and thus planning was on its way for the First Annual Mr. and Miss Trinity Tiger Ball. The event was birthed to allow fellowship in a Christian environment, inspire families to support In His Image's services and Christian Education, build community awareness of In His Image, teach students public speaking skills, and raise funds to support Christian Education.

Ms. Beverly White is the daughter of Mr. and Mrs. Marion and Geraldine Lomax. She is a loving and caring mother to her children LeChelsea, LeDarrius, and LeAerialle White. Ms. White speaks with authority at In His Image Outreach and declares that everyone can be in the image of Christ.

Ms. Beverly White began ministry at the age of 10 years old at Mt. Lebanon AME Church in Due West, SC. In August 1996 she was licensed as a minister at New Light Holiness Church in Conway SC. On April 21, 2013 she was installed as a Pastor of Promise Land Praise and Worship Center Anderson SC and as an consecrated as Apostle. God has used her to reach the hearts of many people during her life. She has a passion to speak the word of God with the power of the Holy Spirit.

Ms. White attended Coastal Carolina University where she received a Bachelor of Science Degree in Physical Education with an emphasis in Recreation. She resided in Conway S.C. for three years and began a career teaching Physical Education and Math in Horry County Schools and Managing Horry County's After School Programs. She also was a Recreational Specialist for Island Green Amenities.

Ms. White returned to the Upstate in 1997 when she was hired as a Recreational/Residential Counselor at Generations Group Home. She remained in her position at Generations Group Home until she was offered a position at Greenville County Commission on Alcohol and Drug as a Drug and Alcohol Counselor. Later she became the Director of Circle of Friends Therapeutic Child Treatment Division. There she enjoyed teaching Parenting Classes, researching the development of children born to mothers on alcohol and drugs, counseling families, NS facilitating groups, among many other responsibilities.

After several years of working with and seeing the needs of youth and their families, in September 1999, Ms. White felt led by God to develop the services Encouraging Words, Creative Sunsets, and Lay Aside Every Weight. These services fall under *IN HIS IMAGE*, an educational not for profit organization. Upon getting the call, Mrs. White enhanced her education by receiving a Dual Master of Arts Degree in Human Resource Development and Human Resource Management from Webster University. In 2002 she accepted a position at Calvary Christian School in Belton SC where she was mentored by Mr. Keith Mitchell. In 2004 she birthed King's Kids, Kingdom Communications, and Trinity Christian Educational School which are more services provided by *IN HIS IMAGE OUTREACH*.

Currently, she is Doctoral candidate for the school of Christian Education at Higher Ground Christian Development Bible College and Seminary. As a soon to be graduate, she plans to publish her dissertation and articles completed while enrolled at HGCD.

Ms. White enjoys educating individuals, families, and communities and passionately does so through the six services provided by In His Image. When working with families, she often reminds parents of two of her sayings: "Adults never stop playing instead they learn to play by God's rules" and "children and youth should stay out of opposite sex relationships until they can answer the question, who are you?" Mrs. Beverly White's greatest desire is to be like Christ so that she can help others to be like Him as well, thus she humbly accepts God's call to be the Visionary of *IN HIS IMAGE OUTREACH*.
